### Visit to a Park

*Last Sunday, I went to visit a Musical Park with my parents. It was a beautiful park with colorful flowers like jasmine, rose, marigold all around. There were many tall trees. In the center, there was a musical fountain. Children were playing in the park with their rackets, balls etc. Some people were doing exercise while others were running on the tracks. There were benches at different places and old people were sitting and chatting with their friends. The air was very fresh, birds were chirping, butterflies were flying from flower to flower. There were many swings for the children in the park. I felt very fresh and enjoyed myself a lot in the park.*

### If I were a Bird...

If I were a bird I would certainly be a nightingale. My tiny nest would be on the topmost branch of a tall tree from where I could see the lush green fields, gushing rivers and the setting sun on the horizon. People would adore my melodious voice. I would fly to different parts of the world and sing out beautifully to make people forget their sorrows and be happy. I would have lots of friends and would love to eat fruits. But sadly with lesser number of trees it is difficult to get enough space for all of us. So friends, let's save the trees so that we can have more fruits to eat.

### If I were a Bird....

If I were a bird I would have a small body with soft and colourful wings and a small cute tail. I would be able to fly high in the sky over land and sea. I would be able to fly high with other birds and also converse with them.

I would love to eat grains, bread and insects and sit on the branches of tall trees. If I were a bird I would be really glad, carefree and would never be sad.

### If I were a Bird....

I love birds. God creates birds. There are many types of birds in the world. The first thing I would do is to fly freely. I would spread my wings and fly high. I would pass through the wonderful and fluffy clouds. Next, I would travel the world. It would be really amazing.

### How I spent my Holidays

School holidays are the best part of a student's life. I got twenty holidays in the month of December. We had planned a trip to Jaipur. We went by train. Jaipur is the heritage city of India. It is also known as the Pink City. It is a perfect mix of old and new architecture. We spent one day in Delhi too. On our way back we went to our uncle's house. It was a great experience and I learnt about the glorious past of India.

### How I Plan To Spend My Holidays

Another few months and it will be summer vacations, at last. My dream will come true as I have planned something great. When it will be vacation time I will go to Magica with my father, mother and elder sister. I will take a flight from Mohali airport to Pune. My aunt lives in NDA which is in Pune. I will go to Magica and take all the rides and enjoy movie shows. I am very excited!

### How I Plan To Spend My Holidays

During my holidays I plan to go to my uncle's house in Los Angeles. His house is close to the beach in Malibu. When I am there I would love to go to the beach every day. I've heard that the beach there gets dolphins as regular visitors. What fun it will be to watch them! I would love to go to San Francisco and see the Golden Gate Bridge. Also a ride in the famous tram is a must! And of course I have to fulfill my dream of going to Disneyland. I have heard that apart from the rides, the fireworks and the parade at night are simply amazing. I am sure there would be several things to see and do but one thing I am really looking forward to is to meeting my four year old cousin Aayan. I think that it will be my best holiday ever!

### If I Were an Animal

If I were an animal, I would be a tiger. I would live in a jungle. Tigers are known for their speed and power. I would be the national animal of India. I could hunt for prey any time I wanted. I could sleep as much as I wanted to, nobody would dare disturb me. The other animals would fear my sharp teeth and strong claws. It would be fun to be in a green jungle with an open sky.

### If I Were An Animal

If I were an animal, I would be a rabbit. I would have furry white skin. I would be a herbivore and eat grass and leafy weeds. I would have loved to eat carrots. I would have enjoyed leaping across long distances. I would have not liked to be domesticated and would have lived freely in the jungle with my friends. I would have been white and pink in colour. I would like to be a trickster like those in Disney animations. If I would have been a rabbit, I would have had an excellent sense of smell, hearing and vision. I would live underground in burrows.

### Ram and Moti

There was a farmer named Deenu. He had three children. Ram was the eldest one. Ram had a pet dog named Moti. Moti was Ram's best friend. One day, Ram decided to visit his friend Rohit near the beach. Moti went along with Ram. Ram had fun with Moti and Rohit on the beach. They witnessed some giant waves hitting the seashore. It got dark while returning. It was a cold black night without stars. Ram and Moti reached their home safely.

### What I Would Like to Be

If I could be anything, I would be a teacher. I would teach children. Each child would call me ma'am. If I got a chance to be a teacher, I would be a class teacher and also be the teacher of English. I would teach my students about homophones, adjectives etc. Actually, if you ask me I'm still double-minded. I would probably like to be a teacher.

### Story Writing

(Using words: dog, friend, children, night, seashore, black, giant, cold and star)

I went to a seashore with my friend Samaira and other children. My teacher had a black giant dog. The dog looked scary but was friendly. When we reached the seashore we decided to have a competition to see who makes the best sand castle. When I went to get some water from the sea, I found the water was very cold. When I was done with my sand castle, I went to call everyone. Suddenly a giant wave took away my castle. I was really sad about that. When it was sleeping time I looked out of the window in the dark night with small silver stars in the sky and soon slept.

#### If I had a Special Ability

One morning I woke up and was surprised to see that I had wings! My joy knew no bounds because I always wished to have wings. I soared through the sky like an eagle. I reached up to the clouds above the mountain tops. It was a dream come true to see the calmness of the vast sea. I loved flying over the deserts to see the rare varieties of snakes and all kinds of miniature plants and animals. It was great fun watching my friends from above without their knowledge that I was observing them. I made little and beautiful birds my friends. My ability to fly brought me closer to my dream of reaching the moon. I hope I never lose my ability to fly.

### Story Telling

Once there was a boy named Rahul. One black night while the stars were sparkling, Rahul and his friend Raju and his pet dog were at the seashore. They decided to play with their ball. The ball had the picture of a giant. Then more children came and joined them, and they all started playing together and enjoyed a lot. They all went home when it started getting colder.

Theme: - Friendship

Character: - Girl

I could tell that it was going to be one of those days. Nothing seemed to be going right all day. I was sitting at my desk when all of sudden the classroom door swung open and there appeared a new girl, who seemed to be feeling shy. She entered the class and the teacher gave her introduction. I stood up and said I would help her. The teacher agreed and gave the task of the day that we had to make a class project and write a paragraph on friendship.

Suddenly, the bell rang and it was lunch break. She was sitting in a corner, not knowing what to do. I went to her with my tiffin and asked her what had happened to her. She said she was missing her friends from her previous school. She had come here from Lucknow, because of her father's transfer. I opened my tiffin to share my food with her. Her face lit up when she saw that it was a Pizza. I shared my food with her and then took her out to play.

When school was over I invited her to my home so she could meet my family. She said that she would come to my home on Saturday. She came as promised and we enjoyed ourselves a lot. After some days she shifted to the same building as mine.

Every evening we play together, visit each other's home and have become best friends.

So the day which was not going to turn out to be good actually proved to be wonderful because it gave me a new friend.

## If I had a Special Ability

### If I had a Special Ability

Have you ever dreamt that you could have super powers? I have a dream to have super powers.

One day, not long ago, I woke up in the morning and went to greet my parents. I greeted them and sat with my father who was reading a newspaper. I asked my father what he was reading in the newspaper. He told me that he was reading the news of Chennai. It was badly flooded! The schools and colleges were closed. People were stuck in their houses. I felt bad for those people. I wished I had super powers. I could go there and help the people. And oh! I was in Chennai! Soon I realized that I was granted with super powers! It was a wish come true!

As I was in my dreams I heard some noises. I saw an old lady who was stuck in her house. The house was filled with water. I used my magical powers and saved her. Before she could say thanks, I was back at home. I could not guess what it was? If it was a dream, it was a very nice dream. If it was a reality, I am very happy to have saved an old lady.

### Sunshine

A day full of sunshine,  
Brings a smile and makes me fine.  
It is warm, yellow and bright,  
With all diseases I can fight.  
It makes all the flowers bloom,  
And takes away sadness and gloom.  
It allows the plants to make their food,  
And they give us fruits, veggies and wood.  
Without sunshine we cannot survive,  
All plants, animals and humans thrive.

One fine morning, I got up from my bed. I was feeling very fresh. I raised my hands to stretch. To my surprise, a Web shot from my hands. I sat on my couch and tried to pick the ball lying on the floor with my Web, but I missed the aim. In the very the next attempt, I picked up the ball. I was feeling like a superhero. I called my friend and told him about this power. We decided to meet in the nearby park. There I plucked some flower using my web. Suddenly I felt water droplets on my face. It was my mom trying to wake me up. It had been a nice dream.

Maanvir Singh Bhalla of UKG B wrote this story on his own after he heard it related in class by his teacher:

*A long time ago there was a farmer with four sons. He used to work very hard but his sons slept the whole day. One day he became very old. He also got ill and could not get off from his bed. So he decided on a trick. He awoke his sons and told them that there was a treasure in the soil like gold and diamonds. So the boys went out to dig and they kept digging. When the soil was dug they still had not found any treasure but they decided to put seeds in the soil and water them. They then sold the crops and vegetables in the market and got a lot of money. Then the farmer told them that was their real treasure!*

## "A DAY WHEN NO TEACHER WAS THERE....."

When the bell rang, we all were waiting for the teacher .....  
As usual, I was engaged in talks of Audis, BMWs and Ferraris. Oh! We boys talk about big things, not like girls whose world remains confined to Barbie's only! Suddenly, I was hit by a paper ball .How could I ignore it? I threw it back but it hit a girl. Looking at her it seemed that an Indo –Pak war was about to begin. And then our classroom converted into a battlefield. Not only paper balls but also paper plates, paper planes, erasers, sharpeners became our weapons.  
The chain reaction which someone initiated seemed to have no end. While we were having fun unlimited, someone shouted, 'Ma'am is entering our classroom'. Thank God we all were alerted in time before the intruder could enter our den.  
Still waiting for a lesson 'Fun unlimited Part – II'.....

Yesterday, late evening, I was watching a movie on television lying on a couch with my dog, 'Romeo'. I was very tired after my daily chores and was unaware when I fell asleep. Suddenly, due to a loud noise, I got up and found myself in a dark room.

As I switched on the lights, I saw that everything around me was made of noodles! The sofa, table, bed, books, everything was made from my favorite food only. I felt very happy. I started eating like a glutton. When my stomach was full, I realized I was alone. As I came out of the room, I realized that the whole building was made of noodles only. I started looking for someone. I heard noise of children coming from one room and was surprised to see that they all were my friends. I asked them about the mystery of the noodle building.

"This building is under a curse of an invisible witch who was very fond of noodles. Her spell would be over only when a girl whose name starts with the letter 'H' would open the black door of this building ", said Vidhi. Everyone insisted that I open the door. As soon as I opened it, the building changed into a castle and I was dressed like a princess. All my friends were overwhelmed with joy. "Get up Harnoor, it is time for school", said my mom. She was shaking me.

Oh God, all this had been a dream where I was the princess of the noodle castle. I wish it could all be real!

*Dogs are my best friends. They are my favorite animals too. There is a cute white dog in my neighborhood. In the evening some children and I play with him. I wish I could have a dog too.*

*One day I met my father at my house's front door. He had a box in his hand. Suddenly the box started moving and a small puppy Labrador came out of the box and jumped into my arms! I was so happy that I almost went crazy! I thanked my father.*

*At night my dog went missing! I looked for him everywhere but could not find him. So I went to the building where a pet trainer lived. He had put on a black coat and he had kidnapped my dog and kept him in a dark room and he was eating noodles happily in the adjoining room! What a man! I quietly made my way to the dark room, freed my dog and ran all the way back home.*

*I ate dinner, fed my dog and slept. In the morning we both were fresh again. I told my father about the man in the dark coat and he went to him and warned him. After that he did not trouble me or my dog.*

**Topic: - I opened my cupboard and I found a secret door behind it.....**

**Fantasy world**

**It was a Sunday morning and I was awake almost the whole night because of the excitement I had had. It was my birthday, my favorite day for which I had been waiting since last year! My excitement was because I was going to get a new room and a new cupboard in it. The look of the cupboard was kind of weird. So I went into my 'new' room to get ready. And as I was opening my weird cupboard a golden thing caught my eye. I bent to pick it up and I saw that it was a sort of a key. I kept it in my pocket and forgot about it. So I opened the cupboard and changed into my new clothes. I went down to my mom to get her blessings and after an hour or two I returned to my room. As I was looking around my new room I was struck by the thought of that golden key in my pocket. I thought that it must be a key for the locker in my cupboard so I again went to it and opened it. I started to look for a keyhole in which that key could fit. I pushed my clothes aside and discovered a little door. I was shocked to see such a door in my cupboard. Just think about it 'a door in the cupboard!!!' My hand was trembling as I pushed the key into the keyhole and turned it open.**

**When I opened the door, a lot of light burst in from the other side. Being brave I stepped inside. The place was beautiful. I couldn't believe what I was seeing. It seemed like I was in a magical world and I am the only one "the only magician in that world". Then I wondered how I would explore the whole place as it seemed too large to be explored on foot. But as I was thinking this, a carpet flew in and landed in front of me. I was a little scared but I stepped on the carpet and the carpet took me on a ride. On my way I saw a huge creature. It was the biggest shock but it was the hero of "Jurassic Park" T-Rex. But how could a dinosaur exist in this era. I had a lot of questions but I was enjoying myself a lot. I saw a mammoth, a rhino and many unknown creatures that I had never seen before except in movies.**

**I stayed in that world for about two to three hours and then I remembered that I had a party in my house. I turned back towards the door. I didn't want to get back because this world was so amazing. Everything that I wanted was happening here. But my mom would be tense for me and this world will always be here in my cupboard. So I was back into my room but I saw that the key and the door had disappeared. I couldn't tell my experience to anyone as no one would believe it. But I know that this was the best birthday I had ever had. Though I still don't know whether it had been a dream or a reality!!**

They stopped at a hotel which was in a very bad condition where they meet the mad 'Beardo' family. Greg tries to avoid them. They go to a fair where Manny wins a baby pig. ## यदि सूरज न होता..... । ।

“यदि सूरज न होता तो ना यह धरती होती, ना यह आसमाँ, ना यह चाँद होता, ना यह जगमगाते सितारे ।” सूरज के बिना मनुष्य अपनी कल्पना भी नहीं कर सकता । पृथ्वी और अन्य ग्रह सूर्य का ही अंग हैं । यदि सूरज न होगा तो यह सौरमंडल भी ना होगा । सूरज जीवन का स्रोत है । यह सारी नदियाँ, पर्वत, सागर, प्रकृति सूर्य के ही अस्तित्व से हैं । पेड़-पौधे एवं पशु-पक्षी भी सूरज पर निर्भर हैं । सूरज का धरती पर प्रकाश पड़ते ही जीवन प्रकाशमयी हो जाता है । यदि सूरज ना होता तो यह दिन-रात भी ना होते और सारी धरती अंधकार में डूब जाती । यदि धरती पर सूरज का अभाव होता तो ऊर्जा भी पैदा नहीं की जा सकती थी । प्रकृति के नियम विपरीत दिशा में चलने लगेंगे । ना वर्षा होगी और ना बादल गरजेंगे । सारा संसार नष्ट हो जाएगा । इसीलिए सूरज को भगवान का स्थान दिया है एवं यह सर्व पूजनीय है ।

## मेरी गरमी की छुट्टियाँ

दोस्तों किताब का एक ही पन्ना पढ़ते-पढ़ते तो कोई भी ऊब जाएगा ना! इसी तरह एक ही जगह रहते-रहते, हम कैसे दुनिया की किताब के बाकी पन्ने पढ़ पाएँगे ? इसलिए घूमना बहुत ज़रूरी है । छुट्टियाँ भी हैं, मौका भी, तो क्यों ना चले घूमने? यह सब सोच कर मैं अपने परिवार के साथ राजस्थान घूमने गया । गुलाबी नगरी जयपुर पहुँचकर, माटी की खुशबू से मन प्रसन्न हो उठा । दाल-बाटी, कढ़ी व मिर्च के पकौड़ों से एक नया स्वाद पता चला । उदयपुर की झीलों पर जाना व किले घूमना परियों की कहानी पढ़ने जैसा लग रहा था । दुनिया की किताब का यह पन्ना 'पधारोम्हारो देस'-राजस्थान, यादगार बनकर हमेशा के लिए मेरे कैमरे में कैद हो गया ।

## बरसात में भीगने का अनुभव...

अनुभव ज़िंदगी में बहुत कुछ सिखाता है और कुछ अनुभव हमारे मस्तिष्क में अमिट छाप छोड़ जाते हैं । ऐसा ही एक बरसात का दिन और उसमें भीगने का अनुभव मुझे गर्मी की छुट्टियों में प्राप्त हुआ । हमारा भारत एक ऐसा देश है जिसमें हर प्रकार के मौसम का आनंद उठा सकते हैं । हर मौसम की अपनी विशेषता होती है और उनका अहसास भी अलग होता है । इस गर्मी में जब पारा पैंतालीस डिग्री छू गया तो हमने पहाड़ी स्थान पर जाने का निर्णय किया । हम पिकनिक मनाने बरोग गए । हम जैसे ही वहाँ पहुँचे, मौसम में ठंडक का अहसास होने लगा । तापमान गिरने से हमें बहुत राहत महसूस हुई । कुछ ही देर में मूसलाधार बारिश शुरू हो गई । बारिश को देख कर मैं गदगद होने लगी और उसमें भीगना शुरू कर दिया । बारिश की बूँदे जब मेरे चेहरे को स्पर्श कर रही थीं, मुझे ऐसा लग रहा था जैसे एक माँ ने अपने छोटे बच्चे को हाथ में लिया हो और बच्चा उसका स्पर्श पा कर बहुत ही संतुष्ट महसूस कर रहा हो । मुझे ऐसा लग रहा था कि यह बारिश की बूँदें अथाह गर्मी में मेरे शरीर को ठंडक की अनुभूति देती हैं । बारिश में भीगने के अतिरिक्त मैंने कागज़ की नाव भी बनाकर चलाई । दो घंटे की बारिश के बाद मौसम साफ होने लगा । आकाश में इन्द्रधनुष ऐसा लग रहा था जैसे प्रकृति अपने सारे रंग धरती पर बिखेर रही हो । यह नज़ारा देखकर मैं मंत्रमुग्ध हो गई । प्रकृति का यह अद्भुत दृश्य मेरे दिल में तस्वीर की तरह छप गया । मेरा यह अनुभव कभी न भूलने वाला एक यादगार दिन बन गया ।
