The 'Busy Bee' brings you
the Pre Primary Show in
Picture Story form

The Show revolves around Geppetto - the man who makes puppets. This time he is making a boy puppet and he wants it to be a real talking, walking, singing and dancing boy.

LEARNING PATHS SCHOOL

The Show opened on a humorous note---here is a conversation between two painters:

Looking at the Audience

Painter 1: Looking at the Audience-Oh! You frightened me! Who are you? What are you all doing here? The theatre is closed. Do you see the brush and paint? We are here to paint the theatre for the next show... so I am afraid you will have to leave, and we have to get to work. So, goodbye! Ciao

Painter 2: Telling the Audience-Why aren't you leaving? Do you still think there would be a show today? Show me your tickets. Oh, Geppetto and his Puppets. That's a very good story. One of my favourites. It's today! Oh dear, oh my goodness. We are so sorry, there must be some misunderstanding.

Also addressing the Audience

The Narrator rushing in:

Narrator: Wait, wait... there is some confusion. Don't tell them the story. The show is today only.

Good morning everyone. Welcome to the Learning Paths School Pre Primary Annual show - Geppetto and his Puppets.

Do you all know Geppetto - the man who makes puppets? This time he is making a boy puppet and he wants it to be a real talking, walking, singing and dancing boy. Funny guy! He doesn't know what he is asking for! Is raising kids an easy job? You tell me? I have 3 and believe me they are brats. Shh--- don't tell anyone I said so! But do you think Geppetto's wish can be granted? Let me take you to Geppetto's house. Keep your eyes and ears open as everything out there talks. let's go...

We better go!

Geppetto: I have made so many puppets but none of them can talk to me. This puppet will be my best work ever. I wish it turns into a real boy. Someone whom I can take care of. Please Mother Fairy, make this puppet into a real boy.

IN FAIRY LAND

Ticky

Mother Fairy

Mother Fairy: Ticky.. Ticky

Ticky: Oh! Yes Mother Fairy

Mother Fairy: I want you to go to Geppetto's house and put life in to his puppet boy.

Fairy: But why should we grant his wish, Mother Fairy?

Mother Fairy: Hmm.. I listen to Gepetto's wish everyday. And I do feel sad for him. Why don't you find out more about him. If you think he deserves so, then fulfill his wish. Is that okay with you?

Fairy: Yes Mother Fairy.

PRE-PRIMARY SHOW

Tickty Fairy: Wow.. so many puppets! So this is what Gepetto does. And I believe this is the puppet he wants Mother Fairy to put life into. But I need to find out more about Gepetto. I wish these puppets could tell me. Hmm.. let me try some magic. dikky dokky do.. Nothing happened! Now what's wrong. Let me try again dikky dokky do.

Fairy: My Magic isn't working! what should I do?

Fairy: You can talk? Who are you?

Panda Puppet: huhhh I know how it feels. Very disappointing, right?

Panda Puppet: yes, of course I can! I am Panda Puppet. Anyway you wanted puppets to talk, huhhhh?

Fairy: Yes, but-----

Panda Puppet: I don't understand people and now fairies too. When they want something and they don't get it, they cry, and when they get it they are still not happy. huhhhh?

Fairy: It's not that---

Fairy: I just realized my magic worked!

Panda Puppet: No it didn't huhhhh!!

Fairy: **But you are talking!**

Panda Puppet: huhhhh yes I am, in fact we all can sing, talk and dance too.

Fairy: **How lovely!**

Panda Puppet: Every night when people sleep we all come out and tell each other stories huhhhh. But Gepetto doesn't know about it.

(Two more Puppets appear on the stage)

Mink Puppet: I am Mink the singer

Kye: I am Kye. I teach them dance.

Song & Dance Sequence

Fairy: But I want to know more about Geppetto. And wait a minute! When all of you can already speak, sing and dance then this puppet would also be able to do so. Then why does mother fairy want me to give this wooden boy life?

Kye: Yes we all can speak, sing and dance, but only at night. And no one else can listen or talk to us.

Mink: And Geppetto has always been lovely. He was always wanted to raise a real boy.

Fairy: Why don't you all tell me your story?

All puppets: I will.. I will

Fairy: Wait! I will choose.

Fairy: Inty pinty papa pinty thaye thas thu I choose you.

Tiny Puppet: Hi

I am Tiny, the Wolf.

Fairy: Hi what is your name?

Fairy: Tell me about your story and how did Geppetto help you?

Tiny: Everyone knows the story of the 'Three Little Pigs' or at least they think they do. But nobody knows the real story, because nobody has heard my side of story.

Fairy: Wait how about we all see your story.

Tiny: But how?

Fairy: Magic. Come along everyone...

TINY'S STORY

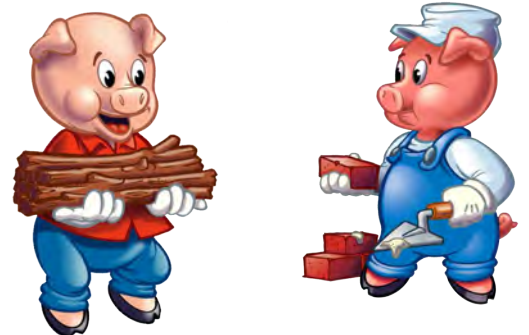

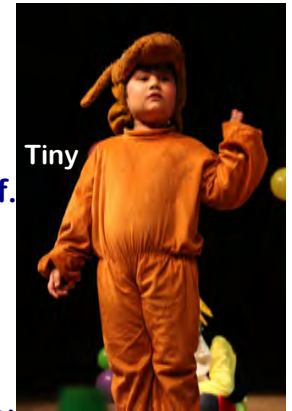

Reporter: Once upon a time there lived three little pigs.

One pig built a house of straw, the second pig built his house with sticks, and the third little pig worked hard all day and built his house with bricks.

A big bad wolf went to the first house. He huffed and puffed and blew the house down in minutes. The frightened little pig ran to the second pig's house that was made of sticks.

The big bad wolf now came to this house. He huffed and puffed and blew the house down in hardly any time.

Now, the two little pigs were terrified and ran to the third pig's house that was made of bricks. The big bad wolf tried to huff and puff and blow the house down, but he could not.

Just then a few officers arrested him and took him away.

Officer 2: what's your name?

Tiny: Tiny. I'm a wolf

Officer 1: really! I can see that.

Tiny: Officers I really don't know how this big bad wolf thing started, but it's all wrong.

Officer 1: Why, did you not blow away the 3 little Pigs' houses?

Tiny: See officers, I was resting as I had terrible sneezing cold. But then I remembered it was my granny's birthday. And I wanted to bake a cake.

Officer 2: Then what happened?

Tiny: I ran out of sugar. So I walked down the street to borrow some from my neighbour.

Officer 1: And was this neighbor one of the 3 little pigs?

Tiny: Yes, but he wasn't too bright, who in his right mind would build a house with straws?

Officer 2: Interesting point. Go on..

Tiny: I knocked, but no one answered. Then my nose started to itch. I huffed and puffed and sneezed a great sneeze.

Officer 1: and the house came down. But what about the pig?

Tiny: before I could explain everything he ran to his brother's house. I thought he would be a little smarter. His house was made of sticks. So I went and pressed the doorbell.

Officer 2: Did he give you some sugar?

Tiny: No. As I was about to tell my name, my nose started to itch. I huffed and puffed and sneezed a great sneeze.

Officer 1: And his house fell down too? Just like his brother's?

Tiny: Yes, so I decided to forget about the cake. As I turned, I saw the third piggy's house. It was made of bricks. He had to be the smartest of all. I rang his bell and again my nose started to itch. I huffed and puffed and sneezed a great sneeze.

Officer 2: Nothing happened to the house this time. So, what did you do next?

Tiny: Hmmm... I saw the chimney and decided to go in. But as I climbed up, you officers arrested me. You declared me a criminal!!

Officer 1: See we won't be able to do anything, as all proof is against you.

Officer 2: We can spare you, if you promise to leave the town and never come back.

Tiny: I was so sad, lost all hope and didn't know what to do, then I met Geppetto and he took me with him. This is how Geppetto got me here and now I'm very happy with my new friends.

Fairy: That's so touching. Today we all have learnt one thing. That we must listen to both sides of any story.

Kye: Ok, Ok. All of you cheer up now. Let's see Tiny's favorite dance.
